Machine Learning Crash Course (MLCC) 2024

A PhD course organised within the PhD Program in Computer Science and Systems
Engineering of Università degli Studi di Genova

This is to certify that

Gabriele Bortolai

has participated in the Deep Learning and Computer Vision School, held at MaLGa Center, Genoa
from the 10th to the 14th of June 2024, for a total of 40 hours, and passed the final examination in
the group which obtained a Special Mention for Originality.
The school was made of two courses, on Deep Learning and Computer Vision, of 20 hours each.

Prof. Lorenzo Rosasco
